Thomas E. Woods, Jr., is a senior fellow at the Ludwig von Mises Institute in Auburn, Alabama. He is the author or coauthor of nine books, including *Who Killed the Constitution? The Fate of American Liberty from World War I to*

George W. Bush and the *New York Times* bestseller *The Politically Incorrect Guide to American History*. He won first prize in the 2006 Templeton Enterprise Awards for *The Church and the Market: A Catholic Defense of the Free Economy*, and he also wrote *Beyond Distributism*, part of the Acton Institute's Christian Social Thought Series. Woods lives in Auburn, Alabama, with his family.

Alan Sklar has been nominated multiple times as a finalist for the APAs prestigious Audie Awards. He has narrated over 100 audiobooks, including the Pulitzer Prize-winning *Looming Tower* by Lawrence Wright.

Thomas E. Woods, Jr.

Nullification

How to Resist Federal Tyranny in the 21st Century

Thomas E. Woods, Jr., provides an eloquent defense of the politically divisive subject of nullification, a remedy used by states against unconstitutional federal power grabs.

Citizens across the country are fed up with the politicians in Washington telling us how to live our lives—and then sticking us with the bill. But what can we do? Actually, we can just say no.

As *New York Times* bestselling author Thomas E. Woods, Jr., explains, “nullification” allows states to reject unconstitutional federal laws. For many tea partiers nationwide, nullification is rapidly becoming the only way to stop an overreaching government drunk on power. From privacy to immigration to national health care, Woods shows how this growing and popular movement is sweeping across America and empowering states to take action against President Obama’s socialist policies and big-government agenda.

The Price of Stones

Building a School for My Village

The extraordinary story of Twesigye Jackson Kaguri, a man from rural Uganda who, after settling in America, returned to his hometown to build a tuition-free school for orphans.

An incredibly inspiring and thrilling book, this is the story of Twesigye Jackson Kaguri, who grew up in rural southwestern Uganda, the son of an irascible small-time farmer and his loving wife. In spite of the family's poverty, Jackson succeeds and graduates from the national university with a calling to work in human rights that leads him to Columbia University. There he falls in love with and later marries an American scientist, Beronda.

When Jackson returns to Uganda with his bride, they are overwhelmed by the many villagers who line up to ask for help with food and school fees—and having lost two siblings to AIDS, Jackson is especially moved by the plight of the thousands of abandoned AIDS orphans in his local district. Impulsively, he and Beronda vow to open the first tuition-free school for orphans. A newlywed with little money, and facing opposition from his domineering father and townspeople, Jackson doggedly builds one schoolroom at a time with the help of many supporters in Uganda and the financial pledges of churches in America, and with the sustenance of his strong faith in Jesus Christ.

Weaving together stories from his youth in Uganda and the remarkable account of how one person with a dream can change lives, this is an unforgettable book that demonstrates that one person can be a cup of cold water to a thirsty world.

Beachcombers

A Novel

Beautifully written, powerfully felt, full of both abundant joy and heart-wrenching sorrow, *Beachcombers* is an extraordinary novel that centers on the bittersweet reunion of three captivating, very different sisters on Nantucket over one gorgeous, exhilarating summer.

Abbie Fox hasn't seen her father or two younger sisters in almost two years, during which time she has jetted around the world and experienced life, if not love. But now Lily, the baby of the family, is sending Abbie urgent e-mails begging her to return home to Nantucket. Their middle sister, Emma, has taken to her bed, emotionally devastated after the loss of her high-powered stockbroker's job and a shockingly unexpected break-up with her fiancé. Also, Lily is deeply worried that Marina, the beautiful, enigmatic woman who is renting their guest house, has set her sights on the sisters' widowed father, Jim. The Fox girls closed ranks years ago after the haunting, untimely death of their mother, but seeing their dad move on with his life forces each of them to take stock.

Over the course of the summer, the sisters' lives grow as turbulent as the unpredictable currents encircling Nantucket. When Abbie encounters an incredibly appealing married man, she breaks her own rules in the name of love, fearing all the while that she'll regret it. Meanwhile, type-A Emma learns a new definition of success, and strong-minded Lily must reconcile her dreams with reality. Even Marina, who has come to Nantucket to forget heartbreak and betrayal, faces an astonishing turn of events that will find her torn between fate and freedom. At summer's end, these unforgettable women will face profound choices and undergo personal transformations that will surprise even themselves.

Silencing Sam

A Novel

The newest thriller from award-winning author Julie Kramer finds intrepid heroine Riley Spartz charged with the murder of a despicable gossip columnist.

MARKETING

- Previous novel, *Stalking Susan*, won the Minnesota Book Award and the RT Reviewers' Choice Award for Best First Mystery. It was also a finalist for the Mary Higgins Clark Award and the Anthony Award

PRAISE FOR JULIE KRAMER

"Kramer registers some sharp observations regarding the changes rocking the journalism industry." —*Publishers Weekly* on *Silencing Sam*

"Julie Kramer has written a serial-killer novel I found too scary to read after dark, too poignant to read without crying, and too gripping to put down. I was also glad my name isn't Susan. A dashing debut with wit, pace, depth of character, and a fascinating look inside the world of television news."

—HARLEY JANE KOZAK, author of *Dating Dead Men*, on *Stalking Susan*

"Tough, edgy, filled with sharply drawn characters from the world of television news, *Stalking Susan* grips you from the beginning with its fast, compelling action, its mystery and, not least, with its intriguing heroine."

—JOHN SANDFORD, author of the *Prey* series, on *Stalking Susan*
