POWER, FAITH, AND FANTASY

America in the Middle East, 1776 to the Present

From the first cannonballs fired by American warships at North African pirates to the conquest of Falluja by the Marines—from the early American explorers who probed the sources of the Nile to the diplomats who strove for Arab-Israeli peace—the United States has been dramatically involved in the Middle East.

For well over two centuries, American statesmen, merchants, and missionaries, both men and women, have had a profound impact on the shaping of this crucial region. Yet their story has never been told until now.

Drawing on thousands of government documents and personal letters, this book reconstructs the diverse and remarkable ways in which Americans have interacted with this alluring yet often hostile land stretching from Morocco to Iran, from the Persian Gulf to the Bosphorus.

Covering over 230 years of history, *Power, Faith, and Fantasy* is an indispensable work for anyone interested in understanding the roots of America's Middle East involvement today.

PRAISE FOR POWER, FAITH, AND FANTASY

"A tour de force, brilliantly researched and written, and extremely interesting, as well as informative."

—Henry Kissinger

"An absolutely vital work"

—Walter Russell Mead, Council of Foreign Relations

"Oren makes history come alive.... [A] wonderfully rich and thought-provoking history.... Highly recommended." —*Library Journal* ★ Review

"Not only a terrific read, but also proof that you don't really understand an issue until you know its history."

—Niall Ferguson, author of *Colossus*

"Engrossing, informative, and frequently surprising"

—*Booklist*
