Yaroslav Trofimov, a staff foreign correspondent of the *Wall Street Journal* since 1999, has reported extensively from Saudi Arabia and other Muslim countries. He is also the author of *Faith at War: A Journey on the Frontlines of Islam, from Baghdad to Timbuktu*.

Todd McLaren was involved in radio for more than twenty years in cities on both coasts. He left broadcasting for a full-time career in voice-overs, where he has been heard on more than 5,000 TV and radio commercials, as well as narrations for documentaries and films, including *Who Framed Roger Rabbit?*

YAROSLAV TROFIMOV

## THE SIEGE OF MECCA

The Forgotten Uprising in Islam's Holiest Shrine and the Birth of Al Qaeda

With the narrative drive of *Black Hawk Down*, *The Siege of Mecca* is a nonfiction thriller about the little-known takeover and subsequent liberation of Islam's holiest site.

On November 20, 1979, worldwide attention was focused on Tehran, where the Iranian hostage crisis was entering its third week. That same morning—the first of a new Muslim century—hundreds of gunmen stunned the world by seizing Islam's holiest shrine, the Grand Mosque in Mecca. These men came from more than a dozen countries, launching the first operation of global jihad in modern times. They believed that the Saudi royal family had become a servant of American infidels and sought a return to the glory of uncompromising Islam. With nearly 100,000 worshippers trapped inside the holy compound, Mecca's bloody siege lasted two weeks, inflaming Muslim rage against the United States and causing hundreds of deaths.

This dramatic story was barely covered in the press as Saudi Arabia imposed an information blackout and kept foreign correspondents away. Yaroslav Trofimov now penetrates this veil of silence, interviewing for the first time scores of direct participants in the siege, including former terrorists, and drawing on hundreds of documents that had been declassified on his request. The narrative reveals how Saudi reaction to the uprising in Mecca set free the forces that produced the attacks of 9/11 and the harrowing circumstances that surrounds us today.

### PRAISE FOR THE SIEGE OF MECCA

"Yaroslav Trofimov has written a spellbinding thriller... Once I started reading, I couldn't put the book down."

—Rajiv Chandrasekaran, author of *Imperial Life in the Emerald City: Inside Iraq's Green Zone*

"As Yaroslav Trofimov amply and skillfully demonstrates, the most radioactive particle in the world today is not North Korea, Iran, or...the United States. It is, rather, the terrifying bundle of contradictions otherwise known as the Kingdom of Saudi Arabia."

—Tom Bissell, author of *God Lives in St. Petersburg* and *The Father of All Things*

"A compelling historical narrative.... Casual readers will be well served by this introduction to Muslim fundamentalist terrorism." —*Publishers Weekly*

"Solid journalistic and storytelling skills.... Trofimov does excellent work in narrating [these events]." —*Kirkus*
