RICK REILLY

HATE MAIL FROM CHEERLEADERS

And Other Adventures from the Life of Reilly

Alternately side-splitting and heart-warming, but always opinionated and provocative, this book brings together 100 of bestselling author Rick Reilly's favorite Life of Reilly columns, the most popular feature of *Sports Illustrated*.

Each week, when *Sports Illustrated's* 21 million readers open up their magazine, many turn right to the last page because that's where to find SI's most popular feature: the Life of Reilly column written by bestselling author Rick Reilly.

This new collection includes 100 of Reilly's favorite columns from the last six years, along with an introduction by Lance Armstrong. The title of the book signifies the strong reader response his columns typically generate (he wrote a column saying that cheerleading isn't a sport and there was a light-hearted backlash). This book brings together the best work by the best columnist in the business.
