William J. Bernstein is an American financial theorist known for pioneering research in the field of modern portfolio theory. Bernstein is also highly regarded for his self-help finance books for individual investors who wish to manage their own equity portfolios. His publications include: *The Intelligent Asset Allocator*; *The Four Pillars of Investing: Lessons for Building a Winning Portfolio*; and *The Birth of Plenty, A History of the World's Standard of Living*.

Mel Foster recorded his first audiobook in 2002. He won an Audie award for *Finding God in Unexpected Places* by Philip Yancey in 2005 and an AudioFile Earphones award for *Match Made in Heaven* by Bob Mitchell in 2006. In that same time, Mel wrote his first published novel, *Shaking Hands With Lefkowitz*.

WILLIAM J. BERNSTEIN

A SPLENDID EXCHANGE

How Trade Shaped the World from Prehistory to Today

A sweeping narrative history of world trade—from Sumer in 3000 BC to the firestorm over globalization today—that brilliantly explores trade's colorful and contentious past and provides fresh insights into social, political, cultural, and economic history, as well as a timely assessment of trade's future.

In *A Splendid Exchange*, William J. Bernstein tells the extraordinary story of global commerce from its prehistoric origins to the myriad controversies surrounding it today. He transports readers from ancient sailing ships that brought the silk trade from China to Rome in the second century to the rise and fall of the Portuguese monopoly in spices in the sixteenth century; Bernstein tells of the rush for sugar that brought the British to Jamaica in 1655 to the American trade battles of the early twentieth century and key innovations such as steam, steel, and refrigeration all the way to the modern era of televisions from Taiwan, lettuce from Mexico, and T-shirts from China.

Along the way, Bernstein examines how our age-old dependency on trade has contributed to our planet's agricultural bounty, stimulated intellectual progress, and made us both prosperous and vulnerable. Although the impulse to trade often takes a backseat to xenophobia and war, Bernstein concludes that trade is ultimately a force for good among nations, and he argues that societies are far more successful and stable when they are involved in vigorous trade with their neighbors.

Lively, authoritative, and astonishing in scope, *A Splendid Exchange* is a riveting narrative that views trade and globalization not in political terms, but rather as an evolutionary process as old as war and religion—a historical constant—that will continue to foster the growth of intellectual capital, shrink the world, and propel the trajectory of the human species.

KEY POINTS/MARKETING

- Four-city author tour: New York; Washington, D.C.; San Francisco; and Seattle
- Major review coverage

PRAISE FOR A SPLENDID EXCHANGE

"The book is not just essential reading; it is fun all the way." —Peter L. Bernstein, author of *Against the Gods*

"Bernstein has given us a master's insights into the past to help us understand an issue of deep divisions in the present age." —Sara Bongiorni, author of *A Year without "Made in China"*
