CHRIS CLEAVE
LITTLE BEE

A Novel

From the author of the international bestseller *Incendary* comes a haunting novel about the tenuous friendship that blooms between two disparate strangers—one an illegal Nigerian refugee, the other a recent widow from suburban London.

British couple Andrew and Sarah O'Rourke, vacationing on a Nigerian beach in a last-ditch effort to save their faltering marriage, come across Little Bee and her sister, Nigerian refugees fleeing from machete-wielding soldiers intent on clearing the beach. The horrific confrontation that follows changes the lives of everyone involved in unimaginable ways.

Two years later, Little Bee appears in London on the day of Andrew's funeral and reconnects with Sarah. Sarah is struggling to come to terms with her husband's recent suicide and the stubborn behavior of her four-year-old-son. The tenuous friendship between Sarah and Little Bee that grows, is challenged, and ultimately endures is the heart of this emotional, tense, and often hilarious novel.

Considered by some to be the next *Kate Runner*, *Little Bee* is an achingly human story set against the inhuman realities of war-torn Africa. Wrenching tests of friendship and terrible moral dilemmas fuel this irresistible novel.

KEY POINTS/MARKETING

- *Library Journal* Best Audiobook of 2009

- Included in 2010 Notable Books List by the Notable Books Council

PRAISE FOR LITTLE BEE

"Flosnik's accents and tone change nimbly to suit each lead character. Artfully told and lyrically performed, this audiobook resonates." —*Audiofile*

"A poignant performance [by Anne Flosnik]... A grueling tale burnished with humor and love and comparable to Khaled Hosseini's *The Kite Runner*."

—*Library Journal* ★ Audio Review

"Cleave is a nerves-of-steel storyteller of stealthy power, and this is a novel as resplendent and menacing as life itself."

—*Booklist* ★ Review

"Urgent and wryly funny." —*O, the Oprah Magazine*
