Addison Wiggin is the executive publisher of Agora Financial, a multimillion-dollar financial research firm and publishing group based in Baltimore, Maryland. He is the author of *The Demise of the Dollar...and Why It's Even Better for Your Investments* and coauthor, with William Bonner, of the international bestsellers *Financial Reckoning Day* and *Empire of Debt*.

William Bonner is the founder, president, and CEO of AGORA Inc. He is coauthor of the bestseller *Mobs, Messiahs and Markets*, which offers concrete advice on how to avoid the public spectacle of modern finance.

Mel Foster has been an audiobook narrator since 2002, he won an Audie Award for *Finding God in Unexpected Places* and an AudioFile Earphones Award for the novel *Match Made in Heaven*. Mel is the author of several novels, including *Shaking Hands with Leftowitz*.

ADDISON WIGGIN
AND WILLIAM BONNER

FINANCIAL RECKONING DAY FALLOUT

Surviving Today's Global Depression

Addison Wiggin and William Bonner, astute observers of the global financial arena, take an informative look at surviving a modern market meltdown.

When the first edition of *Financial Reckoning Day* was published ten years ago, many critics felt that maverick financial writers Addison Wiggin and William Bonner were overly critical of the United States' increasing debt and the start of what seemed to be the foreshadowing of economic concerns. Fast-forward to 2009, and much of what the authors predicted has come true—high unemployment rates, record-setting foreclosures and bankruptcies, and the nearly global collapse of the financial institutions once thought to be so secure.

With this updated edition, *Financial Reckoning Day Fallout*, Wiggin and Bonner bring you even more down-to-earth wisdom. This timely guide reveals that the hazards of democratic consumer capitalism and the financial follies of history are not a thing of the past but an ongoing issue with no end in sight. With this book, you'll gain a better perspective of what's really going on and discover the steps you need to take to survive the difficult times ahead.

Honest and accurate, *Financial Reckoning Day Fallout* offers you the best chance to protect your assets and grow your portfolio in these difficult financial times.
